

# NERGA LEAGUE 2021

## Handicap Index Range 14.5 to 28.0

---

I am delighted to confirm that NERGA has now been scheduled for the 2021. For new members not familiar with NERGA it is as follows. The handicap index range for eligibility is 14.5 to 28:

1. A team of 8 players that play in a league where we play a round with two other clubs (the clubs can vary by match) in a stableford format.
2. Individual stableford scores count and the best 7 scores are used, and the league points are assigned based on these totalled 7 best scores. Most leagues comprise of 8 teams, so scores are 8 points for winners and 1 point for the lowest team score.
3. These matches are handicap affecting so normal rules apply despite playing on different courses.
4. The cost is £11 per game albeit the home match only costs £1 (admin charge)
5. This competition is worth over £560 to our club as well as meals and drinks at the bar.
6. The highest individual average score from the team will go forward to a final - details will be posted later.

The courses and dates are as follows:

### Green Rabbits Zone

1. Saturday 29th May - Scarborough North Cliff (Noon)
2. Sunday 6th June - Drax (08.00am)
3. Sunday 20th June - Boothferry (10.00am)
4. Sunday 4th July - Wetherby (10.30am)
5. Sunday 18th July - Forest Park (Noon)
6. Saturday 24th July - Home match at EGC (10.30am)
7. Sunday 8th August - Rudding Park (08.30am)
8. Sunday 22nd August - Malton & Norton (13.30pm)

I welcome anyone interested in playing to email me (or call mobile 07860 549916) and advise me as to which matches you are able to support and play. Preference will be given to those that are able to play regularly but it is also an option that additional rounds are available on the day at the standard price of £11 albeit these scores will not form part of the league.

If anyone would like to discuss NERGA (North East Rabbits Golf Association) please give me a call.

Kind regards

Martin Gaunt

NERGA Coordinator EGC
