53.5 to 54.0	65

These tables may be used to calculate Playing Handicaps for General Play or Competition rounds where Playing Handicaps are not calculated via machine (Computer, Smartphone App, Spreadsheet etc). Computer generated Playing Handicaps must use full calculated Course Handicaps (i.e. not rounded to an integer) and may result in a different Playing Handicap, and you are therefore advised to use the "My EG" app to calculate your handicap whenever you need to calculate it yourself.
