

The R&A Women in Golf Charter

A commitment to a more inclusive culture within golf

We, at Ellesmere GC call on everyone involved in golf to play their part in developing a culture that values women's involvement in every aspect of the sport, from participating to pursuing a career.

- Our aim is to increase the number of women and girls playing and working in golf.
- To achieve this goal and to enable women to flourish throughout golf, we recognise the need for a fundamental shift in culture. There is a clear ethical need for change and the potential economic benefits of growing the sport through more women and girls playing are substantial.
- The R&A commits to playing a leading role in this process and to working with affiliates, partners and the wider golf industry towards achieving this goal.
- In signing this Charter, we Ellesmere GC commit to making tangible efforts to develop a welcoming and inspiring environment for women. We will do more to attract women into golf, to remain, and to have rewarding careers.

The Charter:

- Is a statement of intent from the golf industry and Ellesmere GC, to unite and to focus gender balance at all levels
- Commits us all to supporting measures to increase the number of women, girls and families playing golf
- Calls for positive action to encourage women to pursue careers in all areas of the sport
- Recognises the need for change that creates an inclusive environment within golf and our golf club

Signatories commit to activate this Charter by:

- Developing and implementing an internal strategy for enhancing gender balance at every level
- Establishing senior management responsibility and accountability for gender balance and inclusion, which is discussed and reviewed at committee/board level with Ellesmere GC
- Strongly advocating more women and girls playing and working in golf.
- Working with key stakeholders to develop and embed a more inclusive culture.
- Promoting the Charter and our goal of encouraging more women and girls to play golf and work in golf.

How we at Ellesmere GC Plan to achieve this by:

- Appoint a designated Women's Champion and Mentors within the club who will assist with the promotion and reporting on the charter.
- Delivering 2 initiatives annually targeting women/girls golf that are aligned with England Golf campaigns.
- Promoting a membership pathway, for women/girls to progress within the club.
- Achieving and maintaining 30% female representation on our Board of Directors by actively promoting these positions linked to appropriate role descriptors that are not gender specific
- Achieving an increase in the number of women and girls playing golf
