Golf Societies 2024

Lee-on-the-Solent Golf Club Ltd is pleased to offer a variety of packages for your golf day with a flexibility that we trust will meet all your requirements.

Set in part parkland and part heathland, our 18-hole golf course is deceptively challenging, with position from the tee being more important than length and sea 'breezes' frequently impacting on play. Indeed, we enjoy a fine reputation throughout Hampshire as a mature course and boast excellent greens.

Lee-on-the-Solent is above all else a friendly club and you can be assured of a warm welcome from professional staff who will afford you every care and attention. With a restaurant providing a first-class selection of food and a golf shop staffed by two of Hampshire's leading professionals, it is with confidence that we assure you of a golfing day that provides excellent value for money. We would encourage you to take full advantage of all that we have to offer.

Please note that we are now cashless so only accept card payments. The balance payment for your Golf Society should be made in the bar.
