Golf Societies 2022

Lee-on-the-Solent Golf Club is pleased to offer a variety of packages for your golf day with a flexibility that we trust will meet all your requirements.

Set in part parkland and part heathland, our 18-hole golf course is deceptively challenging, with position from the tee being more important than length and sea 'breezes' frequently impacting on play. Indeed, we enjoy a fine reputation throughout Hampshire as a mature course and boast excellent greens.

Lee-on-the-Solent is above all else a friendly club and you can be assured of a warm welcome from professional staff who will afford you every care and attention. With a restaurant providing a first-class selection of food and a golf shop staffed by two of Hampshire's leading professionals, it is with confidence that we assure you of a golfing day that provides excellent value for money. We would encourage you to take full advantage of all that we have to offer.
