### Centenary Bricks

In celebration of the centenary the Centenary Committee would like to mark the momentous occasion by constructing a Members Centenary Brick Display. This would go on the wall at the back of the 1<sup>st</sup> tee. The brick slips will be available to purchase at £35 per brick with your name in gold on a charcoal brick slip. Booking forms with more details will be available behind the bar and in the office in the new year. These will provide an everlasting memory of your support to MGC during its momentous year like the scheme at Pride Park Stadium when it was constructed.

## Centenary MGC Logo

There will be a small, 'one-off', modification to our club crest for 2023 which will help commemorate our 100 years. This will be used for all marketing relating to our centenary and on completion of the year we will retire it and revert to our normal crest.

We will have clothing, golf balls and other merchandise available in the pro-shop. All purchases will automatically generate a 5% donation to the centenary fund.
