

## **Mixed Section**

Mixed golf at Sand Moor is a vibrant and thriving section of the club. We have 11 monthly competitions throughout the year, which are followed by a very sociable dinner in the evening after golf.

These competitions are mainly fun team competitions, but also include major trophies which we play for in the summer months, including the oldest Trophy "The Bedding Trophy" which is played in a Mixed foursomes knockout format. Details and dates for the Mixed Competitions are detailed in "Club Diary", located on the Club V1 App.

We arrange fixtures with other local Golf clubs, such as York Golf Club, Scarcroft Golf Club and Knaresborough Golf Club, alternating annually home and away during the main golfing season, and 2023 sees an inaugural exchange fixture with Coxmoor GC. We also host a Mixed Invitation Day.

In August we have our Away Trip, normally held at the end of the first week in August on a Sunday/Monday . This was started by Colin and Angela Littlewood in 1992, the year in which they were Mr Captain and Lady Captain together; and on the second day of the Away Trip we play for the Littlewood Cup.

At present Robert and Debbie Brown are the mixed organisers. All Sand Moor members are welcomed into the mixed section. If you wish to play mixed golf, it is suggested you watch the Mixed Section notice board for further information and make contact with Robert and Debbie.
