

Meet the Team

Chris – I have been at Selby almost 6 years and have been greenkeeping for over 16. “You don’t look old enough” I hear you say! I am married and have two daughters aged 9 and 5 years. There was a time when I was somewhat overweight!! However, I am now a fitness fanatic, playing football two to three times a week, regularly going to the gym and running which has included taking part in The Great North Run for two different charities. At my previous golf club, I used to play golf very regularly and had a handicap of 11. I intend to start playing again this summer and look forward to seeing you out on the course.

Nigel – has been a greenkeeper at Selby for 14 years and is also a very keen golfer. Nigel is married with two sons who are both getting married in the next 18 months - expensive

times!! Nigel is my Deputy Head Greenkeeper and the main spray technician, applying specialist products to the playing surfaces.

Lee – has been at Selby for 8 years and is fully certified to use the chainsaws and undertakes our tree work. He is very knowledgeable with regard to our irrigation system and also has qualifications in Horticulture. Lee is also married with two children aged 9 and 6 years.

Matthew – was my first appointment at Selby nearly 6 years ago when we took him on as an apprentice. Matthew has gone from strength to strength and achieved both Levels 2 and 3 in Sports Turf Management. After completing his level 2 Matthew was nominated for Sports Turf Apprentice of the year where he made it through to the finals.

Gary Fearon - has been a member of the golf club for 25 years and worked at the golf club for the past 8 years. Gary is qualified to level 2 in sports turf management. Gary now enjoys the winters in sunnier climates and re-joins us every spring.
