JUNIOR FAMILY FOURS

On the afternoon of Sunday, 21st September the juniors held their Junior Family Fours competition where junior members can play with a family member (father, brother, grandmother, etc.) as their partner. The

weather was kind, and we had 20 pairs taking part in the golf game. After the game almost 50 stayed for the prize giving and enjoyed the barbecue food, burgers and hot dogs (cooked in the oven). The scores were all very close with three pairs coming in with 19 points. After a count back, the winners were Ben and Andy Magowan, with Annie and Sophie May second and William and Justine Kent-Jones third.

JUNIOR CARDS FOR HANDICAP

We have 65 juniors members and of these 50 have official handicaps. We are very keen for all our juniors to get an official handicap as soon as possible, so please contact the junior organiser if you wish to put in cards to get a handicap and she can arrange for you to play with an adult member or another junior with a handicap.

OCTOBER HALF TERM

We have a very busy programme of junior events in the half term week from 27th to 31st October. On the morning of Monday, 27th the juniors have a friendly 9 hole Greensomes competition against the senior men members and on Tuesday, 28th the juniors have a friendly 9 hole match against the women members. On the morning of Friday, 31st we are expecting a visit from our local MP for Twickenham, Munira Wilson and she would like to meet some of our junior members. We will send out emails shortly giving details of all these events.
