### JUNIOR FAMILY FOURS

On Sunday, 22nd September the juniors held their annual Family Foursomes competition over 9 holes. In this competition the juniors can invite another family member (father, brother, grandmother, etc.) to play with them. We had 40 juniors and family members playing. The weather forecast looked terrible, but miraculously the rain stopped at about 2.30pm and remained dry and everyone enjoyed the barbecue! The winners were Jack Bason playing with his dad Tom with a great score of 24 Stableford points.

### ADVANCE DATE FOR YOUR DIARY

On the evening of Thursday, 14th November the juniors will be holding their Presentation Evening starting from about 6pm. At this evening we present all the trophies for the year, we have a 2 course meal, a raffle and a fun quiz! All junior members and their families will be invited so please try and keep this evening free.

### CONGRATULATIONS, JIMMY

You will be pleased to hear that one of our juniors, Jimmy Rich, has just won the Strawberry Hill Club championship, having played two fantastic rounds of golf and playing 5 under his handicap of 8.9.

### OCTOBER HALF TERM

We have a very busy programme of junior events in the half term week from 28th to 31st October. At 11 am on Monday, 28th we have a one hour 'taster' lesson for beginners. On the morning of Tuesday, 29th the juniors have a friendly match against the women members. Then on the afternoon of Thursday, 31st our Junior Captain, Ben Hogg, will be holding his Junior Captain's Day. We will send out emails shortly giving details of all these events.

### JUNIOR CARDS FOR HANDICAP

We have 65 juniors members and of these 34 have official handicaps. We are very keen for all our juniors to get an official handicap, so please contact the junior organiser if you wish to put in cards to get a handicap and she can arrange for you to play with an adult member or another junior with a handicap.

If you have any questions or suggestions please contact the junior organiser Margaret Bedford on 07733 353633 or email [shgcmkb@gmail.com](mailto:shgcmkb@gmail.com)
