HALF TERM TEXAS

We held a fun 9 hole Texas Scramble on Wednesday, 19th February where we had 19 juniors playing. The scores were excellent and very close. The winners were Daniel Savage, Liam & Luca Herzke and Sammy Smith with a great score of 29 points

CARDS FOR HANDICAP

Congratulations to all those juniors who now have an official handicap. Once you have an official handicap you can play on the course without supervision and can join in the monthly Medal and Stableford competitions. We are very keen to get juniors to get a handicap as soon as possible and will continue to hold golf games for those trying to get a handicap and remember you can play with another junior who has a handicap and they can mark your card.

EASTER HOLIDAYS

We will have a full programme of junior events in the Easter holidays including the Junior Masters tournament and two fun Texas Scrambles. The Masters tournament is played over three days and we have two cups to be awarded, one for the best gross scores and one for the best Stableford scores. Watch out for the emails about these.

On the afternoon of Easter Monday there will be a fun 9 hole Texas Scramble for all members including men, women and juniors, so do try and play in that if you can.
