Once a week in the summer holidays we will be holding a fun 9 hole Texas Scramble starting at 1pm and all junior members (and junior guests) can take part in these. An email will be sent in advance giving details and asking if you want to play. The first of these will be held on Tuesday, 31st July. We will also be organising some fun 9 hole Stableford games for those wanting to put in cards for handicap.

GIRLS GOLF ROCKS

In August, we will be organising two one day golf coaching courses for junior girls. This is an initiative being promoted by England Golf and Strawberry Hill is taking part.

The first camp on 15th August for girls aged 6-13 is now full, but we still have spaces on the second camp on Monday, 19th August for girls aged 11-18.

SPECIAL NEEDS COACHING

During June, we invited children from the Clarendon School (for special needs children) to the Club for some golf coaching. We had nine children who came on three separate afternoons for lessons in iron play, chipping and putting.

It was lovely to see the enthusiasm and enjoyment that they got out of the experience.
