

We are delighted that Strawberry Hill Golf Club has been recognised as a registered signatory of the 'Women in Golf Charter' by England Golf and the R&A.

The adoption of the 'Women in Golf Charter' requires national federations, golf clubs and other golf bodies to build on and develop initiatives which will focus on encouraging more women and girls to play golf and stay within the sport as members of clubs, while also empowering women to enjoy successful careers working within the golf industry.

The charter is designed to develop a more inclusive culture within golf, to encourage increased participation from women and girls and to allow them to reach their full potential as golfers or working in the golf industry.

Strawberry Hill Golf Club has a strong women's section. Consequently, we are well placed to welcome more women and girls to the Club and we shall provide 'golfing buddies' to help at every step of the way, whether it be a beginner, or a new member coming back to golf after a break.
