NIGHT GOLF

On a warm and dry evening on Friday 7 March over 25 intrepid players took part in the Night Golf event, playing holes 6, 7, 8 and 9 in the dark with luminous balls and torches. With a mix of new and veteran night golfers, fun was had by all. Well done to Alex Frost and Ollie Wade who topped the leaderboard followed very closely by Daniel Savage and Toby Wade. Afterwards, over 20 people enjoyed a fantastic fish and chips supper cooked by Aimee.

JUNIOR MASTERS

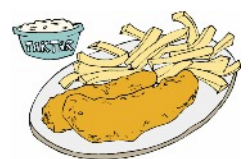

Over the Easter holidays we are also holding one of our most important competitions of the year, the Junior Masters competition. This is an 18 hole Stableford competition played over three days (Monday, 7th, Tuesday, 8th and Thursday, 10th April) with the best 2 scores of 3 to count. Any junior member can play in this competition as long as they have an official handicap and are able to play 18 holes. We have two trophies for this competition, one for the best gross and one for the best nett scores and these cups will be presented at the Junior Presentation Evening in November.

FUN FRIDAY STABLEFORDS

These fun nine hole Stableford competitions (for men, women and juniors) are due to start again on Friday, 11th April, so why not come down (whatever your standard!) for a relaxed friendly game (and you can also put in a card for your handicap).

The dates for the rest of 2025 are all shown in the diary. After the game there will be a fish & chips supper, so why not invite your family and friends to join you for supper after the golf.

JUNIOR TEXAS SCRAMBLES

During the Easter holidays we are holding two fun 9 hole Texas Scramble competitions for all junior members (and any junior guests who will pay a £12 green fee) These will be held on Wednesday, 9th and Wednesday, 16th April starting at 1pm, so if you want to play please let the junior organiser know as soon as possible and she will send out a start sheet to let you know what time to come. After this Texas Scramble we will all meet in the Club House for squash, chips and the prize giving.

If you have any questions or suggestions please contact the junior organiser Margaret Bedford on 07733 353633, shgcmkb@gmail.com
