CAPTAIN'S CHARITY DAY

On Saturday. 19th June the Captain, Vince O'Sullivan held his Charity Day which proved to be an outstanding event for the Club with golf, music, food and beverages and unbelievable number of visitors all day!

The Sky Golf presenters and legendary tour players Dame Laura Davies, Wayne

'Radar' Riley and Andrew Coltart played 9 holes of golf and three of our juniors Hettie Kent Jones, Finn Ellis and Jack Fletcher were caddying for them. The Captain had set a target of raising £10K, for this charity, the Shooting Star Children's Hospice but easily exceeded that by raising more than £25K on the day.

FAMILY FUN COMPETITION

On Sunday, 29th June, we ran a fun 9 hole Texas Scramble for junior members and their families. We had 34 playing in the golf game and almost 40 stayed for the delicious burgers and hot dogs. The weather was good and everyone enjoyed the golf and the food.

The scores were all very close, but the winners with 26 Stableford points were Evan Davies and Arthur Dyer with their dads Martin and Jim.
