Thurs. 29th May	Working Party to Prepare Course
Fri. 30th May	Middlesex U14's and U13's Championship

JUNIOR MASTERS

The juniors held their own Masters Competition on 7th, 8th and 10th April with the best two scores over the three days to count. The eight juniors who took part were divided into two divisions. Those with handicaps 24 or less played a medal round for the Gross Trophy (won by Daniel Savage) and the rest played a Stableford round for the Masters Trophy (won by Henry Thomas). The trophies will be presented at the Junior Presentation Evening in November.

We had two fun Texas Scrambles for juniors on the afternoons of Wednesday, 9th April and Wednesday, 16th April. On 9th we had 11 juniors taking part and the winning team was Daniel S, Rory M, Noah S and Henry H with a score of 26 Stableford points. On 16th we had 12 juniors taking part and the winning team was Jack R,

Evan D and Innes T with a score of 25 points. After the games we all came into the Clubhouse for squash, chips (or crisps) and the prize giving.

CARDS FOR HANDICAP

Congratulations to all those juniors who now have an official handicap. Once you have an official handicap you can play on the course without supervision and can join in the monthly Medal and Stableford competitions. We are very keen for juniors to get a handicap as soon as possible and will continue to hold golf games for those trying to get a handicap..

MIDDLESEX CHAMPIONSHIP

Middlesex County are holding their Under 14 / Under 13 Championship at Strawberry Hill on Friday 30th May, so all juniors of the right age and a good handicap are encouraged to join in. The day before, 29th May the club is closing the course to prepare for this championship so we are looking for juniors and their parents to volunteer to help.

If you have any questions or suggestions please contact the junior organiser Margaret Bedford on 07733 353633, shgcmkb@gmail.com
