Sat. 22nd Nov.	Junior cards for Handicap (9 holes) from about 1.30pm

JUNIOR CAPTAIN'S DAY

On Thursday, 30th October the Junior Captain held his special competition to which all the junior members are invited to take part. Unfortunately, the junior captain, Jack Fletcher, couldn't be there in person as he has just started at Oxford University. However, he was very involved in the organisation and his family

very generously provided all the prizes. We had 23 juniors taking part in a fun 9 hole Texas Scramble and the winning team was Zekai, Dylan, Eoin and Luca with a fantastic score of 31 points. We also had special prizes of golf umbrellas for the juniors who were nearest the pin on the 6th hole. The winners were Daniel

in the older age category and Lochlan in the younger age category. After the game we all met in the Clubhouse for squash, crisps and the prize giving.

JUNIOR MATCHES

The juniors started their busy half term golfing week with a match on Monday, 27th against the senior men. This was a 9 hole Greensomes matchplay competition with eight on each side. All the matches were closely fought, all the matches were played in very good spirit and the result was a 2 all

draw! The day after (28th) the juniors had yet another closely fought match this time against the women members and again it was a very satisfying result with the match being halved! The juniors really

enjoy playing these matches against the adult members, so thank you to all those who played.

VISIT OF MP MUNIRA WILSON

On Friday, 31st October we were delighted to welcome our local MP Munira Wilson to the Club. As the Liberal Democrat spokesperson for education, children and young people she was very keen to meet some of our junior members. We therefore organised a fun putting game for about 12 of our juniors and Munira tried her hand at putting before awarding the prizes to the junior putting winners Jack Fletcher, Toby Wade and Toby Richardson.

If you have any questions or suggestions please contact the junior organiser Margaret Bedford on 07733 353633, shgcmkb@gmail.com
