### EASTER HOLIDAY ACTIVITIES

During the Easter holidays we are holding two fun 9 hole Texas Scramble competitions for all junior members (and any junior guests who will pay a £12 green fee) These will be held on Wednesday, 3rd and Wednesday, 10th April starting at 1pm, so if you want to play please let the junior organiser know as soon as possible and she will send out a start sheet to let you know what time to come. After this Texas Scramble we will all meet in the Club House for squash, chips and the prize giving.

Over the Easter holidays we are also holding one of our most important competitions of the year, the Junior Masters competition. This is an 18 hole Stableford

competition played over three days (Tuesday, 2nd, Thursday, 4th and Friday, 5th April) with the best 2 scores of 3 to count. Any junior member can play in

this competition as long as they have an official handicap and are able to play 18 holes. We have two trophies for this competition, one for the best gross and one for the best nett scores and these cups will be presented at the Junior Presentation Evening in November.

### JUNIOR COACHING

Peter Buchan has just completed another very successful term of junior group coaching lessons with up to 70 juniors booked in every weekend. On the last weekend of coaching we held some fun competitions and presented the juniors with their certificates.

The Summer term coaching will start on 20th April and confirmation of places will be sent out shortly.

### FUN FRIDAY STABLEFORDS

These fun nine hole Stableford competitions (for men, women and juniors) are due to start again on Friday, 26th April, so why not come down (whatever your standard!) for a relaxed friendly game?

The dates for the rest of 2024 are all shown in the diary. After the game there will be a fish & chips supper, so why not invite your family and friends to join you for supper after the golf.
