

Woodsome Hall Golf Club

Dress Code

Rev. August 2024

At Woodsome Hall, the Dress Code has long been a way of ensuring everybody entering the club, member or visitor, on the Course or in the Clubhouse, can feel confident and relaxed, knowing they share common and accepted standards.

It is important that standards of dress are clearly defined for all, both on the Course and in the Clubhouse. Our aim is to have a balance of traditional attire along with a more modern and relaxed smart casual approach.

The following rules are intended to guide members, guests and visitors. Please do not put the staff or members in the awkward position of having to challenge your attire.

The general principle is that you should look smart, and that your clothing and footwear is clean and dry.

Courtyard, Veranda & Lawn

Permissible on-course golf wear is perfectly acceptable in these areas, although members are reminded that if entering the Clubhouse (other than locker rooms), golf shoes are not allowed.

Golfing Footwear

Golf shoes are not permissible in the Clubhouse Rooms and Bar area. There are shoe brush stands outside each external door – please use them. We are proud of our Clubhouse and are keen to preserve our carpets and prevent timber floors becoming scratched. Please help us to maintain the fabulous environment, and exercise both common sense and consideration.

Cottage Residents

Cottage Residents are welcome and are free to wear what they want in their rooms. They are welcome to use the Clubhouse facilities but they must adhere to the same dress code rules as members and visitors. All Cottage guests will have been notified in advance of their arrival of the dress code. Signage is also prominently displayed in the Cottage as a further reminder.
