

New team kit now available

With the competitive golf season now just over the horizon, the new team kit for Ladies and Men representing the club is now available to pre-order in the Pro Shop.

This year, and going forward, Ladies and Men will play in the same colour – a cobalt blue Footjoy polo shirt with a navy blue outer layer – both with the club badge picked out in white.

As has been mentioned previously, the new kit is being heavily subsidised for team members. Stoke by Nayland Resort is purchasing the kit from Footjoy and passing on the benefit of the generously discounted price for bulk buying. **PLUS**, each member ordering a shirt and an outer layer now, will receive a further £20 discount covered by the Golf Club itself.

As all team captains have now been appointed and squad selection is underway, orders are starting to be taken in the Pro Shop.

The costs are as follows:

Men

- Stretch pique polo shirt £30
- Chill out vest £41
- Chill out pullover £42.50

Ladies

- Stretch pique polo shirt £30
- Full zip midlayer £45

The £20 Club subsidy will be applied at the time of ordering at least two items as outlined above. Players can order more than two items and will still benefit from discounted prices, but the maximum Club subsidy will remain at £20 and is ***only available on orders made by players named in the initial pre-season squads.*** After the initial orders have gone in, there will be no additional £20 subsidy.
