

From Mark the Pro and Spencer too,
We'd like to share some news with you.
The Clubhouse doors will take a rest,
On Christmas Day and Boxing Day, we think it's best.

And when the New Year's just begun,
On New Year's Day the bar won't run.
But don't you worry, don't despair,
The course is open – golf's still there!

So wrap up warm and enjoy your round,
Fresh winter fairways all around.
We thank you all for your support,
It truly means the world to us at the Club and course.

Have a Merry Christmas, bright and true,
And a Happy New Year from us to you.
May 2026 bring health, good cheer,
And plenty of great golf throughout the year!
