CAPTAIN Mr DECLAN DOHERTY

It is an honour and a privilege to have been selected as your Captain for 2019. I would like to thank the outgoing Captain, Frankie Houston for all his hard work and dedication to the Club during 2018. Thanks also to Pat McAneary for nominating me to be Captain. I look forward to working with our Lady Captain Geraldine, President Liam, Lady President Imelda and Vice Captains Kevin and Catherine and wish them all well for the coming year.

As we embark on the new season I would also like to record my thanks to all our competition sponsors, their generosity is very much appreciated. I would urge all members to support our sponsors where possible. Thanks also to Competition Secretary Patrick McCrossan for his efforts in liaising with sponsors and in putting this fixtures schedule together.

I have nominated the Foyle Hospice as the Captain's Charity and ask members to donate £1 to the charity box (behind the bar) if your ball lands in any of the two bunkers at the 18th green in a Saturday competition.

I wish all Team Captains every success for the coming season. Hopefully they will be bringing some more silverware back to the Club. Finally I would like to wish all members a very enjoyable and successful golfing year in 2019. Play well!

LADY CAPTAIN Mrs GERALDINE MASTERSON

It is an honour and a privilege to be your Lady Captain for 2019.

I am looking forward to working with Mr Captain Declan, Mr President Liam, Lady President Imelda and Vice Captain Catherine.

I have nominated Chest Heart and Stroke as the Lady Captain's Charity.

I hope we have an enjoyable and fun year and that the weather will be kind to us.

I would like to take this opportunity to wish all our Team Captains, players and members good luck and good health in the coming year.

Strabane Golf Club have now adopted the **Ready Golf Approach** in Strokeplay & Stableford Golf

- Hitting a shot when safe to do so if a player further away faces a challenging shot and is taking time to assess their options
- Have your group watch where each ball finishes
- Shorter hitters playing first from the tee or fairway if longer hitters have to wait
- When on the tee carry an extra ball
- Hitting a shot before helping someone to look for a lost ball
- Putting out even if it means standing close to someone else's line
- Hitting a shot if a person who has just played from a greenside bunker is still further from the hole but is delayed due to making the bunker
- When a player's ball has gone over the back of a green, any player closer to the hole but chipping from the front of the green should play while the other player is having to walk to their ball and assess their shot
- Place your clubs between the green and the next tee
- Study your putt while others are putting
- Marking scores upon immediate arrival at the next tee, except that the first player to tee off marks their card immediately after teeing off
- Drop your partner off at his/her ball and continue on to your own
- When on the tee carry an extra ball
- Have your group watch where each ball finishes
- In stableford play if you can no longer score at the hole pick your ball up

'Ready Golf' is not appropriate in match play due to the strategy involved between opponents and the need to have a set method for determining which player plays first.
