

TANDRAGEE GOLF CLUB

Tandragee Golf Club is a formidable yet picturesque 18 hole parkland course, set in the beautiful County Armagh countryside in Northern Ireland.

Few courses in Northern Ireland present golfers with such beautiful scenery and fine views. Parts of the course look over to the ancient Tandragee Castle and on many holes golfers admire the woodlands astride the fast flowing River Cusher. Young and mature pine trees line many fairways and the duck pond is an unusual attraction, often visited by golfers and non-golfers alike!

2020 sees the 100th anniversary of Tandragee Golf Club and we invite you to become part of centenary celebrations. We are offering specials deals on sponsorship for a raft of different events throughout the year.
