

16/04/24

Correct Marking of Scorecards

As per R&A and Golf Ireland regulations (Rules of Golf – 3.3b), from 20/04/24, it is MANDATORY for all golfers to swap their card with another player in their group for purposes of marking. It is NOT acceptable for one player to mark all cards in a group, for example.

Also, it is good practice to ensure your own score is marked on the card as per the example below; note the marker's own score to the left.

Many thanks in advance for your co-operation and wishing you the best for the season ahead.
